Industrial Visit

An industrial visit to **AppSquadz Software Pvt. Ltd., Sector-63, Noida**, was organized by **Dr. Mukta Makhija** (Assistant Dean, IT) and **Mr. Girish Bansal** (Co-coordinator) for 39 IT students and 2 faculty members. The visit aimed to expose students to real-world IT practices and corporate environments.

The journey began at 9:00 A.M. from the college campus, reaching the venue by 10:30 A.M. Students were given a guided tour of the company and attended live demonstrations on cloud infrastructure, real-time data analytics, and application deployment. Experts from the company conducted interactive sessions on the role of data analytics, cloud services, and career opportunities in the IT industry.

Key Outcomes:

- Practical understanding of data analytics and cloud technologies
- Insights into current industry trends and tools
- Awareness of career paths such as Data Analyst and Cloud Architect
- Exposure to corporate culture and workflows

The visit was informative and well-organized, providing valuable learning beyond classroom education. The department plans to organize similar visits in the future for student development.
