Industrial Visit Report

An industrial visit was organized by Dr. Mukta Makhija, Assistant Dean (IT), with Mr. Girish Bansal serving as the coordinator. The team departed from the college campus at 09:00 A.M. via bus.

A total of 48 students, accompanied by 2 faculty coordinators, participated in this three-day visit, which was designed for students of the current semester. The group visited the venture of Appsquadz Software Pvt. Ltd., Sector 63, Noida.

Outcomes of the Visit

1. Students gained awareness of Data Analytics as a field.
2. They understood the changing industrial scenario in relation to Data Analytics.
3. They became aware of career opportunities in the IT sector, particularly roles related to Data Analytics.

Conclusion

The industrial visit was conducted in a well-organized and effective manner. It was a valuable learning experience for the students, giving them exposure to the corporate environment and the practical applications of their academic knowledge.

This visit not only broadened their understanding of Data Analytics but also gave them a glimpse into the professional world of the IT industry. Based on the positive feedback and learning outcomes, the department is keen to organize more such visits in the future to contribute to the holistic development of students.
