Techno Hack 2024

A technical competition named '**Techno Hack 2024**' was organized at the campus of INMANTEC Institutions. The event was inaugurated by the institute's Executive Director, Dr. Pankaj A. Gupta, and Director Academics Dr. Latika Gupta, Dean students affair Ms Heena Mehta, Dean Academics Dr Nitin Saxena, Asst.dean Dr. Mukta were present at the occasion. More than **350 students from over 20 institutions** including Noida, Greater Noida, and Delhi participated in this inter-college competition. The students showcased their talent in various competitions such as:

- Coding
- Web Designing
- Gaming
- Game Art
- Circuit Debugging
- IoT
- Quiz

The event was successfully conducted by the IT department. The students demonstrated their skills in **cloud computing, machine learning, and coding**. The competition aimed to promote innovation and creativity among students and give them a platform to demonstrate their technical capabilities.

The **top-performing students and teams were awarded** and recognized for their achievements. The competition was a great success and appreciated by all present. Special guests at the event included Director General Dr. Pankaj Gupta, Director Dr. Neelima Gupta, along with faculty members and staff.

OUTCOMES:

- **Skill Development:** Participants enhance their technical and problem-solving skills through hands-on experience.
- **Collaboration & Networking:** Events foster teamwork, idea-sharing, and the opportunity to build valuable professional connections.
- **Awards & Recognition:** Outstanding teams or individuals are acknowledged with awards and public recognition for their performance.
