Date: 10th October, 2025

Time: 10:00 AM onwards

Venue: IGNITE-Incubation Centre, INMANTEC Institutions, Ghaziabad

The INMANTEC Incubation Centre, under the aegis of INMANTEC Institutions, organized a workshop on “Entrepreneurial Mindset: Thinking Like a Founder” on 10th October, 2025. The objective of this workshop was to instill entrepreneurial thinking among students, motivating them to approach challenges with creativity, innovation, and the problem-solving mindset of a founder.

Resource Person

The session was conducted by Mr. Gaurav Singhal, CEO – Incubation, INMANTEC Institutions. Mr. Singhal, an experienced mentor in entrepreneurship and innovation, shared his deep insights on the start-up ecosystem, business ideation, and the qualities that define a successful entrepreneur.

Session Highlights

The workshop began with an engaging introduction by Mr. Singhal, who discussed the essence of entrepreneurial thinking and the significance of building a resilient and opportunity-driven mindset. He emphasized the importance of innovation, adaptability, and risk-taking in building and sustaining successful ventures.

Key discussion areas included:

- Understanding and developing the entrepreneurial mindset
- The importance of creativity and innovation in entrepreneurship
- Identifying and evaluating business opportunities
- Leadership, decision-making, and team management
- Overcoming start-up challenges through strategic thinking

To make the session more interactive, students were encouraged to actively participate through questions.

Student Participation and Presentations

An important highlight of the workshop was the student presentation segment, where participants prepared and presented PowerPoint Presentations (PPTs) on various innovative business ideas and entrepreneurial themes.

These presentations reflected the students' understanding of entrepreneurial concepts and showcased their creativity and analytical thinking. Mr. Singhal appreciated the efforts of the participants and provided constructive feedback on each presentation, helping them refine their ideas further.

The presentations also promoted teamwork and communication skills, aligning perfectly with the workshop's goal of nurturing future entrepreneurs.

Outcomes and Learning

The workshop provided participants with valuable insights into the mindset and practices of successful entrepreneurs. Key takeaways included:

- The ability to think strategically and innovatively
- Understanding the start-up ecosystem and its challenges
- The importance of resilience, leadership, and adaptability
- How to transform ideas into actionable business models

Students expressed great enthusiasm for entrepreneurship and showed interest in exploring opportunities through INMANTEC's incubation initiatives.

Conclusion

The workshop on "**Entrepreneurial Mindset: Thinking Like a Founder**" was an enriching experience that successfully inspired students to think beyond conventional career paths and embrace innovation-driven growth.

The interactive session, coupled with student-led presentations, created an engaging learning environment and strengthened INMANTEC's mission of fostering entrepreneurial culture within the institution.
