

Workshop on -- Cultivating Leadership & Innovation through Student Team Initiatives

Date: 27th September 2025

Time: 10:00 AM onwards

Venue: INMANTEC Institutions, Incubation Centre

INMANTEC Ignite – Foundation for Entrepreneurship & Innovation, organized a workshop titled **“Cultivating Leadership & Innovation through Student Team Initiatives.”**

The workshop aimed to foster leadership qualities, promote innovation, and encourage teamwork among students by engaging them in practical, idea-driven initiatives. It provided participants with insights into brainstorming, business model development, research, and creative problem-solving.

The workshop conducted by **Mr. Gaurav Singhal**, Industry Consultant and Chief Mentor at INMANTEC Ignite. With vast experience in mentoring student startups and innovation-driven teams, he guided participants on building leadership capacity and developing innovative project-based solutions.

Objectives of the Workshop

1. To cultivate leadership qualities among students through practical engagement.
2. To enhance innovation skills by encouraging brainstorming and creative thinking.
3. To promote teamwork and collaborative problem-solving.
4. To connect students with industry-oriented perspectives on leadership and innovation.
5. To strengthen the ecosystem of incubation and entrepreneurship at INMANTEC.

Outcomes

- Enhanced leadership and innovation skills among participating students.
- Formation of student-led innovation teams with actionable project ideas.
- Increased awareness about incubation, entrepreneurship, and research opportunities.
- Strengthening of the Institution’s Innovation Council initiatives in alignment with national objectives.

The workshop is designed to instill leadership qualities, foster innovative thinking, and promote teamwork among students. It seeks to provide a structured platform for learners to engage in brainstorming, develop new ideas, and explore entrepreneurial opportunities under expert mentorship.

Conclusion

The workshop represented a significant step toward fostering leadership and innovation at INMANTEC Institutions. By equipping students with practical skills and industry-relevant exposure, the initiative is expected to contribute meaningfully to the overall mission of developing competent, innovative, and socially responsible leaders of tomorrow.
